ABOUT ME

I am a Computer Science student at Nicolaus Copernicus University in Toruń. I am currently preparing for the AWS Cloud Practitioner certification to expand my cloud computing knowledge. In my free time, I enjoy going to the gym and running.

WORK EXPERIENCE

Frontend / Backend Developer Intern

Nokia | Oct 2025 – Present

- Continued collaboration after the internship under a contract agreement.
- Developing and maintaining a full-stack appointment management module within a large web application.
- Working with Java (Spring Boot), PostgreSQL, Hibernate, and jOOQ on the backend, and Angular on the frontend.
- Implementing new features, improving existing functionality, and ensuring seamless integration between backend services and the user interface.
- Collaborating in a hybrid environment following agile methodologies.

Frontend / Backend Developer Intern

Nokia | Jul 2025 – Sep 2025

- Participated in a summer internship developing web applications using Java and Angular.
- Collaborated with the team on backend services and frontend components.
- Learned to write technical documentation and implement unit and integration tests to ensure code quality and reliability.
